| GRADUATION CHECK Make an appointment with the SOMD Advisor. | APPLY FOR UNDERGRADUATE DEGREE IN DUCKWEB | |

It is imperative that students be knowledgeable of curriculum and University requirements. Although professional advisors are available for academic advisement, students must assume personal responsibility for academic progress and completion of program.

‡ Assumes that student has placed out of MUS 137 Keyboard Skills I.

‡ Two of the MUS 267-268-269 series can also count toward the Arts & Letters requirement of the Bachelor's degree.

★ WR 121 and MUS 133 are pre-requisites to MUS 267-269 Survey Music History.

† It is recommended to choose one music history & culture elective that also counts as Arts & Letters.

If chosen wisely, this course can be double counted in the Cultural Literacy area as US Difference or Global Perspectives – this is strongly recommended.

*To earn 180 total credits required for the Bachelor's degree, students may need to earn additional college credit as specified.

^ Piano Pedagogy sequence offered every other (even) year. If necessary, Piano Pedagogy sequence may be taken during senior year by shifting Area of Inquiry courses.

× Must be a non-music class. Music requirements may fulfill 12 out of 16 required Arts & Letters credits for the BM degree. The remaining 4 credits must be taken in another area.

◇ See UO Catalog for details on the math/computer science proficiency requirement for the Bachelor of Science degree.
