GRADUATION CHECK Schedule an appointment with the SOMD Undergraduate Advisor on Navigate.		

It is imperative that students be knowledgeable of curriculum and University requirements. Although professional advisors are available for academic advisement, students must assume personal responsibility for academic progress and completion of program.

¹ MUS 358 counts toward the Arts & Letters and Global Perspectives requirements of the Bachelor of Arts degree.

² Two courses from the MUS 267-268-269 series can also count toward the Arts & Letters requirement of the Bachelor of Arts degree.

___ The underscore indicates that there are either multiple course numbers that fulfill this requirement.

★ WR 121 is a pre-requisite to MUS 267-268-269, Survey Music History, a Music Core series that must be taken during the sophomore year.

* Recommended Science area courses for all music majors.

♦ Offered fall terms only on EVEN academic years.

MUST be US: Difference, Inequality, Agency. If chosen wisely, Cultural Literacy courses can be double counted in the Arts and Letters, Science, or Social Science Areas of Inquiry—this is STRONGLY recommended.

♦ 62 upper-division credits are required for a Bachelor's degree. To meet this general credit requirement, plan to take various Area of Inquiry or general UO elective courses at the 300 or 400 level.
